

ALTAS CUMBRES

MALBEC 2021

From our estates comes a range of sophisticated varietals that seek to highlight to the maximum the quality of the grapes grown in the family vineyards located in one of the best winegrowing areas of Argentina: Luján de Cuyo. They are aged in oak to provide good body, without losing fruit expression and aromatic intensity.

STORY

The history of Bodega Lagarde dates back to the beginnings of vine cultivation and the wine industry in Mendoza (Argentina). Established in 1897 and managed by the Pescarmona family since 1970, it has always worked to fulfill the same objective of producing the highest quality wine, maintaining a unique commitment to the land and its people.
