NOTAS DE CATA

- Bright lemon color with slight golden highlights. Fine, delicate and persistent bubbles.
 - Aromas of tropical, citrus and somewhat floral fruits. Notes to toast, honey and yeasts. Very good complexity.
 - Fresh and creamy palate. It leaves a medium palate of creaminess due to its delicate texture and the fine bubbles. It has a remarkable persistence, providing a long ending.

MARIDAJE

Ideal to use as an appetizer or to pair with lunches and/or brunches. It also goes well with entries made with fresh salads as well as seafood & fish. As for desserts, it pairs very well with recipes where acid flavors prevail.
