Organic

MALBEC 2023

Seductive, honest and elegant wines that have had no intervention or oak aging in order to preserve their freshness and natural identity. In each bottle, we honor what nature offers us and with responsible and proactive practices, we maintain a historical commitment to the environment and the community, always thinking of the future generations that will continue our legacy.

STORY

The grapes that give life to these wines come from the centenary estate of Mayor Drummond, in Luján de Cuyo, where the winery is located. There, they have always worked in a sustainable way, but it was in 2015 that the official process to certify organically the vineyards and their grapes, which were planted in 1906, began.

TECHNICAL INFORMATION

Malbec 100%

Alcohol: 14.2%

Reducing sugars: 3.00 g/l.

Total acidity: 5.70 g/l.

pH: 3.65.

Vineyards: Mayor Drummond, Luján de Cuyo - Mendoza.

Planted in: 1906.

TASTING NOTES

- Intense and bright dark red with violet notes.
- Ripe red fruits, with notes of flowers, such as violet, and some fresh herbs.
- Well-balanced tannins, which give good volume and roundness.

SUGGESTED PAIRINGS

Ideal with grilled meats and cheese and cold meat boards. It also goes very well with poultry with cream sauce and white fish.
