

ALTAS CUMBRES

TORRONTÉS 2019

A range of youthful and sophisticated varietals, meant to be enjoyed in any occasion. They are full-bodied and offer a good fruit expression and aromatic intensity. With the exception of the torrontés, which comes from Salta, they are all from our estates in Mendoza.

STORY

Bodega Lagarde's history dates back to the early years of grapevine cultivation and the wine industry of Mendoza, in Argentina. Established in 1897 and managed by the Pescarmona family since 1970, we have always worked to achieve the same goal of producing the highest quality wine, holding a strong commitment to our land and its people. We are one of the oldest family owned and managed wineries in the heart of Mendoza and we are proud to count with historic and centennial vineyards that were planted in 1906 and 1930.
