## STORY

Bodega Lagarde's history dates back to the early years of grapevine cultivation and the wine industry of Mendoza, in Argentina. Established in 1897 and managed by the Pescarmona family since 1970, we have always worked to achieve the same goal of producing the highest quality wine, holding a strong commitment to our land and its people. We are one of the oldest family owned and managed wineries in the heart of Mendoza and we are proud to count with historic and centennial vineyards that were planted in 1906 and 1930.
