GUARDA BLEND 2014

Lagarde Guarda Vineyard Collection is a limited release selection of wines, resulting from long periods of research and examination of the best terroirs within our own estates. Each wine is an accurate reflection of a special vineyard located in a micro region of Luján de Cuyo and Valle de Uco.

STORY

Guarda Blend is the first wine we created for this collection. The fruit comes from our own vineyards located in Drummond, Pedriel and Agrelo, which are all sub-regions of Luján de Cuyo. We have achieved a harmonious blend with grapes belonging to the best areas for each variety.

Bodega Lagarde's history dates back to the early years of grapevine cultivation and the wine industry of Mendoza, in Argentina. Established in 1897 and managed by the Pescarmona family since 1970, we have always worked to achieve the same goal of producing the highest quality wine, holding a strong commitment to our land and its people. We are one of the oldest family owned and managed wineries in the heart of Mendoza and we are proud to count with historic and centennial vineyards that were planted in 1906 and 1930.
