CHARDONNAY 2017

Guarda Vineyard Collection is a range of wines resulting from long periods of research and examination of the best terroirs within our estates. Each wine is an accurate reflection of a special vineyard located in a micro region of Luján de Cuyo and Valle de Uco.

STORY

The latest addition to our Guarda Vineyard collection is a 100% chardonnay. Its high-altitude vines, in Gualtallary (Tupungato), is located near The Andes Mountains, at 1350 masl. This region has a wide temperature range with cool breeze and limestone soil. Purity, restraint, acidity and moderate use of new oak define this wine.

Bodega Lagarde's history dates back to the early years of grapevine cultivation and the wine industry of Mendoza, in Argentina. Established in 1897 and managed by the Pescarmona family since 1970, we have always worked to achieve the same goal of producing the highest quality wine, holding a strong commitment to our land and its people. We are one of the oldest family owned and managed wineries in the heart of Mendoza and we are proud to count with historic and centennial vineyards that were planted in 1906 and 1930.
