LAGARDE
BODEGA 1897

MALBEC - CABERNET FRANC 2017

Sister's Sofia and Lucila Pescarmona are the stars of the best selection of wines in our Guarda Collection. These are personal wines, which we named Guarda Sisters' Selection. In essence, they represent the commitment, passion and heart that both of them put day to day into Lagarde Winery. Since the two sisters have very different personalities, thus singular wines are born but their connection will always be the quality of the terroir they come from, thanks to our special selection of unique parcels in outstanding vineyard locations.

"These wines were made to celebrate with family and friends when the time is right but also made for toasting with guests when we host in the comfort of our home, or travel the world. It is ideal for people who share our same passion and love for wonderful wines"
